Refuge for Nations is a nonprofit social enterprise committed to empowering refugee women across Metro Detroit. We provide all the support needed for immigrant and refugee women to not just survive, but to thrive in the new life ahead of them. From breaking down language barriers with our ESL (English as a Second Language) courses to learning skilled trades that lead to eventual employment, our organization empowers women with the tools needed to build a meaningful life for themselves as well as their families.

From women's clothing and accessories to baby products, our women are ready to serve you! We offer custom products for partners and other causes close to our heart. Our network of refugee and immigrant women work diligently to fill all orders with a strong sense of purpose, love and care. If you'd like to request our services for a special order, please contact us at info@refugeforations.com.
